Spotlight Business of the Month First State Community Bank

Karen Gentry
Mortgage Loan Officer
Vice-President

I have been in my role as loan officer at First State Community Bank for over 8 years but have been blessed to work my entire career in Warrenton. Living and working in Warrenton has allowed me to be involved in and support our community, businesses and organizations, including the Chamber of Commerce on many committees, board and officer positions.

First State Community Bank is a community bank, it's part of our name and a strong part of our values. As one of the consumer loan officers, I help clients with loans to purchase homes and land, refinances and construction loans to build their dream home. We have many loan options including fixed rate mortgages, low down payment or no down payment.
