# A Message From Your Chamber President

The term, “time flies” certainly applies to 2022 and my first year as the Warrenton Area Chamber of Commerce president. Being more involved in my community has always been my goal, and the Chamber is helping me do that. From chairing our regular meetings, to helping emcee our annual event, participating in fundraisers, parades, and social gatherings, all on top of running a law firm, the year has gone by very quickly. This seems to be the theme for the Warrenton area as well. Businesses are coming, the population is growing, and exciting things are happening. But this community business movement started many years ago.

The year was 1923 and Warren County had a population of about 8,200 citizens. In January of that year, a group of about 56 businesses joined forces to form “The Community Club of Warrenton”. In January 2023 we celebrated the 100-year anniversary of that organization which is now known as The Warrenton Area Chamber of Commerce. Now with a population around 36,000, today’s Chamber has approximately 200 members representing businesses, nonprofits, government agencies, and community people.

During my first year as president, we added 29 new members, performed 10 Ribbon Cutting Ceremonies for new businesses, and held four hiring events in conjunction with local businesses. The Chamber awarded \$3,000 in scholarships to local students, participated in three Christmas parades, and the Warrenton Fall Festival. Making a positive impact on our community in a wide variety of ways has always been the focus of the Chamber of Commerce.

2023 is now in full swing and so is our community. The Warrenton Area Chamber of Commerce is busy promoting local businesses, raising funds for local scholarships, and on the lookout for new members. If you are interested in getting involved in your community, the Chamber is a great place to do so. When we all work together our community is stronger. And a strong community attracts even more business and growth. I challenge you to join me in promoting our Chamber motto . . . “Think Local, Be Local, Buy Local”.

## History

Warrenton, the county seat of Warren County, is rich in history and gives a unique blend of both agricultural and in-city atmosphere. Numerous housing developments dot the city landscape, yet within minutes of downtown there is plentiful farmland for a more rural setting. Transportation resources have been important factors in the development and history of the County. Many of the early settlers first set foot in Warren County from the banks of the Missouri River. One of the earliest trails west, Boone's Trace, which later evolved into the Boone's Lick Road, crossed through the County. The arrival of the railroads, beginning in the 1850's led to added settlement and commercial development. Through Warren County, Boone's Trace evolved into US Highway 40 and as growth of the nation continued, Interstate 70 was constructed along the same general path once followed by Daniel Boone as he traveled to the Salt Licks of central Missouri. State Highway 47 provides accessibility as a north/south artery across the state intersects with I-70 at the Warrenton Exit 193. Today, the county's history is being preserved and shared through the work of the Warren County Historical Society. The society maintains a modern museum and archives at 102 West Walton Street - just one block south of the Justice Center in downtown Warrenton. The society also maintains one of the oldest homes in Warrenton -- the Ernst Schowengerdt House which is on the National Registry--located at 308 East Booneslick Road (Main Street). The 1866 Residence is open to the public for tours by appointment and for special events throughout the year. The home, furnished with original pieces as passed down by three generations of the Schowengerdt Family, is situated on a two acre lawn extending from Booneslick south to Walton Street.

Individuals interested in The Museum, which was recently doubled in size, includes exhibits that tell the story of the county and its citizens. In the expanding Library/Research collection, visitors will find a wealth of genealogical research resources including church and school records, individual surname collections; obituaries, as well as an extensive and growing collection of newspapers, census and county records and microfilms. Arranging for a house tour should contact the Historical Society at (636) 456-3820, or by email at [museum@warrencountymohistory.com](mailto:museum@warrencountymohistory.com). ## City of Warrenton

Situated equal distance from St. Louis to the east and Columbia to the west, the City of Warrenton serves as the county seat for Warren County. The City is governed by an elected board consisting of a mayor and six board of alderman. Traditional services such as the Police Department, Public Works, and Planning & Development fall under the City's umbrella. City Hall is located at 200 West Booneslick and operates between the hours of 8:00 am to 5:00 pm Monday through Friday.

The City was officially incorporated in 1864. The 2020 U.S. Census information showed a population over 8,400. Economic development is the key component to the City's growth. Warrenton has seen steady growth because of its affordable land, logistical location along the Interstate 70, proximity to metro areas, and steady employment opportunities.

To support this growth, Warrenton has invested heavily in upgrading its infrastructure. Miles of new sewer and water lines have been installed, the wastewater treatment plant capacity upgrade, and the roadway system has been expanded. The new I-70 overpass west of State Highway 47 was opened in 2018 to help improve the intra-city mobility, safety, and retail access. With all it has to offer, Warrenton lives up to its moto: "Moving Forward"

## City of Truesdale

The City of Truesdale is a fourth-class City located east of Warrenton and West of Wright City. It was founded in 1857 as a village by William Truesdale. At one time it was the end of the railroad tracks with a round table and engine house. The depot was a very busy place serving both the Truesdale and Warrenton area. Mr. Truesdale (Truesdail) was a civil engineer for the North Missouri Railroad Company and was Chief of the Secret Service with the Army of the Cumberland during the Civil War. He was a spy for the Federal Army and recruited actress Paula Cushman as a spy. More information on Mr. Truesdale can be found in several books on the civil war.

The City has a population in the last census (2010) of 732, increasing from 397 in 2000. With a new subdivision, the population is expected to increase in the 2020 census. Truesdale has several businesses, factories, two industrial parks, three churches and one school within its city limits. From worldwide companies to the smallest unique shop, the City is proud to have each one as part of the City.

The City is governed by a Mayor and Board of Aldermen. Now serving as Mayor of the City is Chris Watson. Mike Thomas, Jerry Cannon, Robert Green, and Joseph Brooks serve as the Aldermen for the City of Truesdale. The Board meetings are held the second and fourth Wednesday of each month, starting at 5:30 p.m. in the board room at the City Hall. The meetings are open to the public.

The City's mission statement is as follows: Provide the very best city service as it relates to administration and interaction between the city staff, governing body, and the citizens of the City of Truesdale. Making decisions and governing the City of Truesdale by the question "Is it best for the City of Truesdale and its citizens", not just for an individual or a business.

The City and the Truesdale Police Department participate in the Drug Take Back program, with a secured box available during regular office hours for unwanted or expired medication, no questions asked. Twice a year, on a Saturday, the City will join others nationwide for the drug take back day initiative. The date is set by the Drug Enforcement Agency, and afterwards, the DEA destroys the medications properly and safely. Needles and inhalers cannot be accepted.

The first Saturday in October is the day the City celebrates its railroad history at Bruer Park. Railroad Days is filled with events for the family to enjoy including music, vendors selling various merchandise, great food, and special activities for the children. The City has a web page, [www.cityoftruesdalemo.org](http://www.cityoftruesdalemo.org), and a Facebook page. Check these two sites for more information. The City of Truesdale is located at 109 Pinckney Street with office hours from 9 a.m. - 5 p.m. (the office is closed 1:00 pm.-2:00 p.m. for lunch). City services include water, sewer, and solid waste. Recycling service is available within the City for a small charge.

Please call the Truesdale City Hall at 636-456-3166 for additional information on services or other inquiries you may have.

## Parks

You can splash down waterslides, catch a fish worthy of a tall tale, stroll shady paths beneath giant oaks, spread a picnic on lush greens, or host a gathering under a comfortable pavilion at one of Warrenton's many parks. Whether you prefer to hear the songs of birds, the crack of a bat, or the croaking of frogs by the fishing hole there is 154 acres of green space distributed throughout the city inviting you to spend your recreational adventures in Warrenton, MO.

The Warrenton Athletic Complex is a 55-acre park that draws competitors from throughout the state. It is becoming one of the most sought after locations to host tournaments at its pristine soccer fields and lighted baseball/softball fields. For the non-competitors at the park, it has a playground, and two concessions stands. TSM (Tournament Sports Management) is the official organizer of leagues and tournaments. Information about these programs can be found at [www.playtism.com](http://www.playtism.com) or call 636-456-9654.

Lakeview Park is nestled between old and new neighborhoods. This five acre park has a pavilion and ball field that typically hosts family activities such as block parties, birthday celebrations, and reunions but your most likely to find it occupied by a neighborhood pickup game of ball.

Khoury Park is in the heart of the city. It is the oldest city park where many residents grew up kicking the dirt of its ball diamonds. And just like those Warrenton residents, Khoury Park has also grown up over the years. Khoury started as just two humble dirt fields. The park now includes a playground, two pavilions, two half-court basketball hoops, a concession stand, and the ball diamonds are now lighted to play can carry on into the night. This park is guaranteed to bring back fond memories of yesteryear.

We are excited to announce Loving Hands Hospice is now a part of Three Oaks Hospice. Our ownership is changing, but our mission, values and quality of service our staff provides to patients and families will stay the same.

# Voter Registration

To vote in Missouri, you must first register. Any citizen of the United States who is a resident of the state of Missouri and seventeen years and six months of age or older shall be entitled to register and to vote in any election which is held on or after his eighteenth birthday. There are some exceptions that apply to the above statement which is found in RSMo 115.133(2).

You may register and find the location of polling places at the Warren County Clerk's Office, located in Suite 302 of the County Administration Building, 101 Mockingbird Ln., in Warrenton (636-456-3331); at the License Bureau or at the Warren County R-3 and R-2 School District Administration Buildings.

Although residents are encouraged to register in person, anyone may register by mail. Any change of address, within Warren County, can be made at the Clerk's Office. Should you move out of the County or to another state, you then must register there.

## Election Calendar

Currently, Missouri law permits elections in February (bond issues), March (charter counties charter cities only), April, August and November. All elections are held on the first Tuesday after the first Monday of the month. Cities, school districts, the county ambulance district and other

Special districts ordinarily hold their regular elections in April. Special elections may occur on other dates as permitted by statute.

For County, State and Congressional offices, a Primary Election is conducted in August of every even-numbered year and the General Election in November of every even-numbered year.

Party affiliation is not required to register to vote, but the voter must choose a party ballot on which to vote in the Primary Election, whether it is Republican, Democrat, Libertarian, etc.

## Where to Vote

Your voter identification card indicates the township, precinct, polling place, school district, fire district, City and City ward (if applicable), State Legislative, Congressional and Local County Commission Districts in which you are eligible to vote.

Missouri Photo ID requirements for voting began June 1, 2017. That means in any election after that date, you will be asked to show a photo ID before you vote. Here's how you can vote:

If you do not possess a photo ID and would like one to vote, the Secretary of State's Office will help you. Please call (866) 868-3245.

After signing the ledger and receiving a ballot, you may proceed to one of the booths provided at each polling place to record your vote. Election judges at the polls can explain the use of the recording equipment.
