A Message From Your Chamber President

Warrenton Area - The Place We Choose

When I graduated from high school, I was given the Dr. Suess book, *Oh the Places You'll Go*. That one book holds so much wisdom about life that it can be hard to believe it's a children's book. Having grown up in Warrenton I felt that someday I would leave and explore a life beyond this town. As the book said, "You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose". And you know what? I used my brain and my feet, and I steered myself right back to Warrenton – the place I choose.

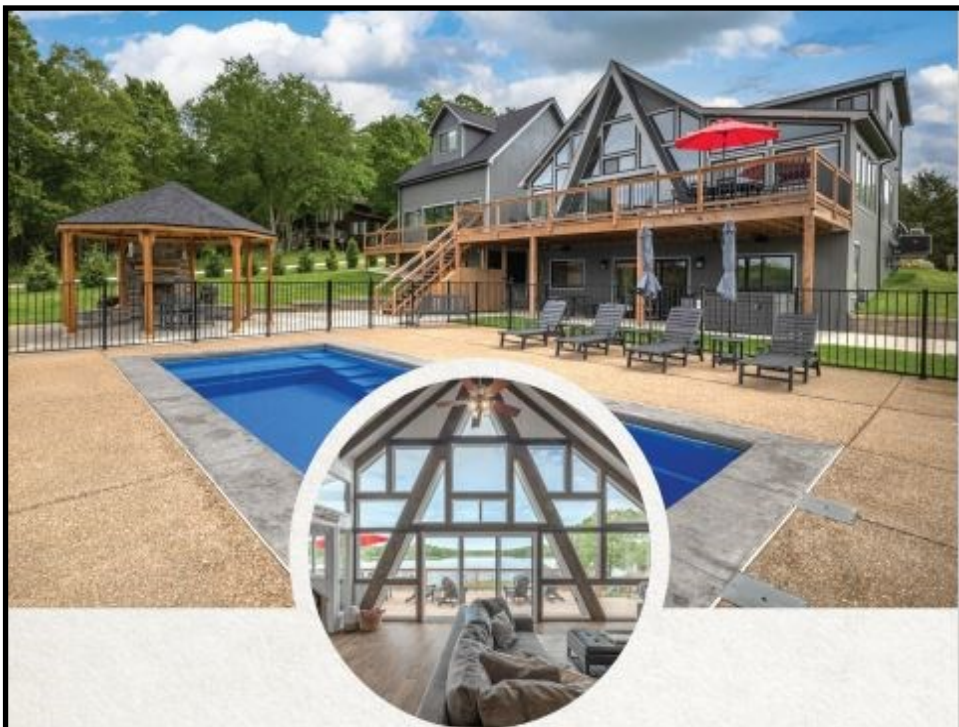

The experience of growing up in Warrenton where literally so many people know your name, created such a deep sense of community in my soul that I knew this is where I needed to be. My parents were not from Warrenton, but they created their life here when they were just starting out in the professional world. They invested in this community through their time, talent, and treasure. They also instilled those values in my brother and me. One of my earliest memories is riding along with my dad to put out flags at businesses for the Lions Club on holidays. The unspoken commitment to community.

I was always told that how you spend your time and money reflects what is important to you. I do my best to live up to that motto in an effort to grow with Warrenton. As a small business owner, I truly understand the importance of supporting local businesses. Without each of us supporting the other we are not a community, but simply individuals who live in the same space.

I am honored to be the 2022 Warrenton Area Chamber of Commerce President so I can share my passion for this community. Whether you are third generation or new to the community, I challenge you to step up and step in to Warrenton. The future is ours to make.

Insuring Missouri Since 1935

History

Warrenton, the county seat of Warren County, is rich in history and gives a unique blend of both agricultural and in-city atmosphere. Numerous housing developments dot the city landscape, yet within minutes of downtown there is plentiful farmland for a more rural setting. Transportation resources have been important factors in the development and history of the County. Many of the early settlers first set foot in Warren County from the banks of the Missouri River. One of the earliest trails west, Boone's Trace, which later evolved into the Boone's Lick Road, crossed through the County. The arrival of the railroads, beginning in the 1850's led to added settlement and commercial development. Through Warren County, Boone's Trace evolved into US Highway 40 and as growth of the nation continued, Interstate 70 was constructed along the same general path once followed by Daniel Boone as he traveled to the Salt Licks of central Missouri. State Highway 47 provides accessibility as a north/south artery across the state intersects with I-70 at the Warrenton Exit 193. Today, the county's history is being preserved and shared through the work of the Warren County Historical Society. The society maintains a modern museum and archives at 102 West Walton Street -- just one block south of the Justice Center in downtown Warrenton. The society also maintains one of the oldest homes in Warrenton -- the Ernst Schowengerdt House which is on the National Registry--located at 308 East Booneslick Road (Main Street). The 1866 Residence is open to the public for tours by appointment and for special events throughout the year. The home, furnished with original pieces as passed down by three generations of the Schowengerdt Family, is situated on a two acre lawn extending from Booneslick south to Walton Street. Individuals interested in The Museum, which was recently doubled in size, includes exhibits that tell the story of the county and its citizens. In the expanding Library/Research collection, visitors will find a wealth of genealogical research resources including church and school records, individual surname collections; obituaries, as well as an extensive and growing collection of newspapers, census and county records and microfilms. Arranging for a house tour should contact the Historical Society at (636) 456-3820, or by email at museum@warrencountymohistory.com. Go to www.warrencountymohistory.com for more information.

MAKING SENSE OF INVESTING

City of Warrenton

Situated equal distance from St. Louis to the east and Columbia to the west, the City of Warrenton serves as the county seat for Warren County. The City is governed by an elected board consisting of a mayor and six board of aldermen. Eric Schleuter is serving his second term as Mayor. The Aldermen include: Jack Crump and Larry Corder from Ward 1, Scott Schulze and Steven Cullom from Ward 2, and Bob Delaloye and Jeff Jaspering from Ward 3. Traditional services such as the Police Department, Public Works, and Planning & Development fall under the City's umbrella. City Hall is located at 200 West Booneslick, and operates between the hours of 8:00 a.m. to 5:00 p.m. Monday through Friday.

The City was officially incorporated in 1864. The 2020 U.S. Census information showed a population over 8,400. Economic development is the key component to the City's growth. Warrenton has seen steady growth because of its affordable land, logistical location along the Interstate 70, proximity to metro areas, and steady employment opportunities.

To support this growth, Warrenton has invested heavily in upgrading its infrastructure. Miles of new sewer and water lines have been installed, the waste water treatment plant capacity upgrade, and the roadway system has been expanded. The new I-70 overpass west of State Highway 47 was opened in 2018 to help improve the intra-city mobility, safety, and retail access. With all it has to offer, Warrenton lives up to its motto

"Moving Forward. Ideas In Motion."

City of Truesdale

The City of Truesdale is a fourth-class City located east of Warrenton and West of Wright City. It was founded in 1857 as a village by William Truesdale. At one time it was the end of the railroad tracks with a round table and engine house. The depot was a very busy place serving both the Truesdale and Warrenton area. Mr. Truesdale (Truesdail) was a civil engineer for the North Missouri Railroad Company and was Chief of the Secret Service with the Army of the Cumberland during the Civil War. He was a spy for the Federal Army and recruited actress Paula Cushman as a spy. More information on Mr. Truesdale can be found in several books on the civil war.

The City has a population in the last census (2010) of 732, increasing from 397 in 2000. With a new subdivision, the population is expected to increase in the 2020 census. Truesdale has several businesses, factories, two industrial parks, three churches and one school within its city limits. From worldwide companies to the smallest unique shop, the City is proud to have each one as part of the City.

The City is governed by a Mayor and Board of Aldermen. Now serving as Mayor of the City is Chris Watson. Mike Thomas, Jerry Cannon, Robert Green, and Joseph Brooks serve as the Aldermen for the City of Truesdale. The Board meetings are held the second and fourth Wednesday of each month, starting at 5:30 p.m. in the board room at the City Hall. The meetings are open to the public.

The City's mission statement is as follows: Provide the very best city service as it relates to administration and interaction between the city staff, governing body, and the citizens of the City of Truesdale. Making decisions and governing the City of Truesdale by the question "Is it best for the City of Truesdale and its citizens", not just for an individual or a business.

The City and the Truesdale Police Department participate in the Drug Take Back program, with a secured box available during regular office hours for unwanted or expired medication, no questions asked. Twice a year, on a Saturday, the City will join others nationwide for the drug take back day initiative. The date is set by the Drug Enforcement Agency, and afterwards, the DEA destroys the medications properly and safely. Needles and inhalers cannot be accepted.

The first Saturday in October is the day the City celebrates its railroad history at Bruer Park. Railroad Days is filled with events for the family to enjoy including music, vendors selling various merchandise, great food, and special activities for the children. The City has a web

page, www.cityoftruesdalemo.org, and a Facebook page. Check these two sites for more information. The City of Truesdale is located at 109 Pinckney Street with office hours from 9 a.m. - 5 p.m. (the office is closed 1:00 pm.-2:00 p.m. for lunch). City services include water, sewer, and solid waste. Recycling service is available within the City for a small charge.

Please call the Truesdale City Hall at 636-456-3166 for additional information on services or other inquiries you may have.

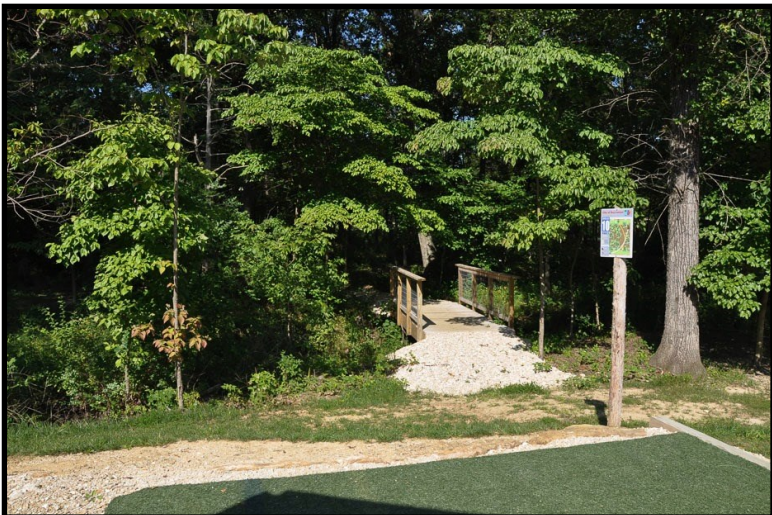

Parks

You can splash down waterslides, catch a fish worthy of a tall tale, stroll shady paths beneath giant oaks, spread a picnic on lush greens, or host a gathering under a comfortable pavilion at one of Warrenton's many parks. Whether you prefer to hear the songs of birds, the crack of a bat, or the croaking of frogs by the fishing hole there is 154 acres of green space distributed throughout the city inviting you to spend your recreational adventures in Warrenton, MO.

The Warrenton Athletic Complex is a 55-acre park that draws competitors from throughout the state. It is becoming one of the most sought after locations to host tournaments at its pristine soccer fields and lighted baseball/softball fields. For the non-competitors at the park, it has a playground, and two concessions stands. TSM (Tournament Sports Management) is the official organizer of leagues and tournaments. Information about these programs can be found at www.playtsm.com or call 636-579-7631.

Lakeview Park is nestled between old and new neighborhoods. This five acre park has a pavilion and ball field that typically hosts family activities such as block parties, birthday celebrations, and reunions but your most likely to find it occupied by a neighborhood pickup game of ball.

Khoury Park is in the heart of the city. It is the oldest city park where many residents grew up kicking the dirt of its ball diamonds. And just like those Warrenton residents, Khoury Park has also grown up over the years. Khoury started as just two humble dirt fields. The park now includes a playground, two pavilions, two half-court basketball hoops, a concession stand, and the ball diamonds are now lighted to play can carry on into the night. This park is guaranteed to bring back fond memories of yesteryear.

Dyer Park features an outdoor stage which was originally built to accommodate the city's concerts in the park. Its popularity grew and is now available for rental. Its shady location and electrical access, makes a perfect setting for ceremonies, concerts, theatrical performances, or other group activities requiring a main focal point. The playground area is for children young and old with fun playground equipment, lighted tennis courts, a full basketball court, two horseshoe pits, two pavilions, and cooking grills.

Paddock Fields is a simple 3-acre park with playground equipment and a large area of level green space surrounded by local residents.

Binkley Woods & Spector Lake is a tranquility destination consisting of meandering trails through mature oak woods and a lake rippling from the activity of resident wildlife. This park thirty-five acre park lures nature and fitness enthusiasts to its large pavilion, cooking grills, playground equipment, a stocked lake, and paved walking trails. It is a daily destination for many of Warrenton's residents and the perfect setting for a special event. The Charles "Pete" Noblit Gazebo was recently erected and has become an immediate focal point for weddings and other formal occasions.

If you follow the paved walkway from Binkley Woods and Spector Lake it leads to Morgan Park. Here you will find a sand volleyball court, two lighted tennis courts, the largest playground area in Warrenton, and an oversized pavilion for a full day of fun with friends and family.

Warrenton Pool Park is the newest park located at Warrior Avenue & State Hwy 47. The main park attraction is the indoor/outdoor Aquatic Center. The outdoor pool has a diving board, lap lanes, ADA lift chair, built in water benches, and a canopy lounge area. The indoor pool has a two story slide, splash station, lazy river, lap lanes, ADA chair lift, water benches, a party room to rent for a special occasion, and is a zero entry pool. After a swim you can hit the many walking trails winding through the woods and circling the large lake. Bring your friends, especially your four legged ones for a romp in the Warrenton's dog park. If disc golf is how you want to spend the time, there is a challenging 18 hole course. Make it a day packed full of fun and visit the Warrenton parks; www.warrenton-mo.org for photos and more information.

Emergency Services

911 EMERGENCY CALL CENTER

Warren County Emergency Services (911) is staffed 24 hours a day by professional communications officers from a variety of backgrounds. The Center is an essential link in all the public safety functions in Warren County.

The Center provides dispatch and communications for all Law Enforcement, Fire and Ambulance services in Warren County, Missouri. The Center is the primary terminal point for 911 calls originating from telephones (landlines) installed in Warren County as well as cell phone calls that are routed to towers located in Warren County.

The dispatchers are trained with Priority Dispatch programs; EMD (Emergency Medical Dispatch), EFD (Emergency Fire Dispatch) and EPD (Emergency Police Dispatch). Additionally, the dispatchers are trained to handle 911 calls, Administrative phone calls, radio dispatches, CAD (Computer Aided Dispatch) software, Mapping System, and MULES (Missouri Uniform Law Enforcement System) program.

WARREN COUNTY AMBULANCE DISTRICT

The Warren County Ambulance District provides emergency medical services with the mission of providing quality compassionate pre-hospital care to all patients. The district is headquartered at 604 Fairgrounds Road and primarily covers the northern two-thirds of Warren County, an area of roughly 240 square miles. The district employs 45-50 full and part-time employees consisting of approximately thirty paramedics, six EMTs, seven administration positions and one full-time maintenance/property manager.

The district has a training department, helping to educate their EMTs and paramedics for re-licensing and offers public training for CPR, First Aid, Blood Borne Pathogens and other certifications.

The district employees formed the Warren County Ambulance District Explorer Academy in 2012 for local high school students and offers an Emergency Medical Responder program providing the opportunity to experience the emergency medical services industry. Since its inception, The Explorer Academy has had over 30 students complete the program and several have gone on to receive certification through the State of Missouri to become EMTs or Paramedics. There are currently five employees with the district that started their EMS careers as Explorers with Warren County Ambulance.

The district averages over 4,400 emergency medical calls annually with 24/7 operations out of four stations, with the newest facility located off Bell Road in the northwest section of Wright City. Future expansions may be considered for southern Wright City/Foristell/Innsbrook. The district has already secured property in the Pendleton area to be prepared for growth in the western portion of the district in the future.

The Ambulance District derives its income from the local tax rate and by charging fees for its services and is governed by a Board of six elected Board of Directors that meet monthly. The district manages day to day operations under the management of Chief Tim Flake and Deputy Chiefs Mike Eskew and Darren Lenk.

WARRENTON POLICE DEPARTMENT

The Warrenton Police Department is staffed by 23 professional law enforcement officers. Their mission is to create a safe environment for residents and visitors. This is accomplished through rigorous enforcement of Municipal, State and Federal laws and through positive engagement with our community. Officers build and maintain a positive image. They promote personal relationships with individuals resulting in community confidence and trust which is the foundation of success for our city.

The Police Department provides patrol functions as well as a Criminal Investigation Division. The Criminal Investigation Division conducts investigations into serious crimes committed within the City of Warrenton. The department also provides school resource officers to the Warren County R-III School District. These officers are responsible for law enforcement within the schools of the district. They teach safety awareness classes to both students and staff.

The Police Department offers Community programs such as Neighborhood Watch, Citizen's Police Academy, CPR classes, Law Enforcement Explorer Post 9111, Ride-A-Long program and crime awareness presentations for businesses and civic organizations. Information about these programs can be obtained online, by telephone, or in person at the police department. www.warrenton-mo.org or by phone at 636-456-3535

The Warrenton Police Department is always striving to improve law enforcement in our community. Our new Chief of Police and Medal of Valor Recipient Larry Ellard has made it his goal to tackle our biggest issues by continuing cooperation with the East Central Drug Task Force (ECDTF). Another improvement goal is securing the department CALEA accreditation (The Commission on Accreditation for Law Enforcement Agencies program). For more information on CALEA visit <http://www.calea.org/content/commission>. Information about the Warrenton Police Department can be found at www.warrenton-mo.org or by phone at 636-456-3535.

TRUESDALE POLICE DEPARTMENT

The mission of the Truesdale Police Department is to safeguard the lives and property of the people we serve. We are committed to having a partnership with the community, to solve problems through proactive policing in a manner that is fair, impartial, transparent, and consistent with the values of the people we serve. Protecting the lives and property of the community we serve is the Police Department's highest priority, and we pledge to carry out this duty through compassion, dignity, and professional accountability.

WARREN COUNTY SHERIFF'S DEPARTMENT

The Warren County Sheriff's Department is a full service law enforcement agency providing patrol functions, criminal investigations, K9 services, special operations, records, inmate transport, jail, bailiff, and court security. The members of the Sheriff's Department are committed to excellence in law enforcement, and are dedicated to the people, traditions, and diversity of our County. We will provide service with understanding, response with compassion, performance with integrity, and law enforcement with vision. We are ready to protect, and proud to serve. Our mission is to work in partnership with the citizens of Warren County to preserve life, maintain human rights, protect property, and to prevent crime and the fear of crime to ensure that

Warren County is a safe and secure environment in which to live, work, or visit. You can contact us on the web at www.wcsdmo.net or by phone at 636-456-4332.

WARRENTON FIRE DEPARTMENT

Warrenton is served by three primary service agencies: The Warrenton Fire Protection District, the Warren County Ambulance District and the 911 Emergency Communications Center.

All three agencies have undergone extensive expansion in recent years, bringing them all up to date with some of the finest, most modern equipment in the region.

The Warrenton Fire Protection District, headquartered at 606 Fairgrounds Road, has four stations in all to serve its roughly 125-square-mile area. The department moved into its newest facility on Highway 47 South of the city in 2008. The building is an 11,000-square foot facility with complete living quarters for the staff and houses the department's ladder truck.

The Fire Chief is Anthony Hayeslip. His staff is mostly a volunteer unit but also includes several fulltime employees.

In addition to its primary fire protection services, the organization offers numerous community-related programs which include classes taught at local elementary schools to promote fire safety for school-age children and a free home safety inspections which includes battery checks for smoke detectors. The district is governed by an elected board which meets on a monthly basis.

Voter Registration

To vote in Missouri, you must first register. Any citizen of the United States who is a resident of the state of Missouri and seventeen years and six months of age or older shall be entitled to register and to vote in any election which is held on or after his eighteenth birthday. There are some exceptions that apply to the above statement which is found in RSMo 115.133(2).

You may register and find the location of polling places at the Warren County Clerk's Office, located in Suite 302 of the County Administration Building, 101 Mockingbird Ln., in Warrenton (636-456-3331); at the License Bureau or at the Warren County R-3 and R-2 School District Administration Buildings.

Although residents are encouraged to register in person, anyone may register by mail.

Registration is permanent as long as you remain at the same address in the county, but you must keep your address current. Any change of address, within Warren County, can be made at the Clerk's Office. Should you move out of the County or to another state, you then must register there.

Election Calendar

Currently, Missouri law permits elections in February (bond issues), March (charter counties charter cities only), April, August and November. All elections are held on the first Tuesday after the first Monday of the month. Cities, school districts, the county ambulance district and other

Special districts ordinarily hold their regular elections in April. Special elections may occur on other dates as permitted by statute.

For County, State and Congressional offices, a Primary Election is conducted in August of every even-numbered year and the General Election in November of every even-numbered year.

Party affiliation is not required to register to vote, but the voter must choose a party ballot on which to vote in the Primary Election, whether it is Republican, Democrat, Libertarian, etc.

Where to Vote

Your voter identification card indicates the township, precinct, polling place, school district, fire district, City and City ward (if applicable), State Legislative, Congressional and Local County Commission Districts in which you are eligible to vote.

Missouri Photo ID requirements for voting began June 1, 2017. That means in any election after that date, you will be asked to show a photo ID before you vote. Here's how you can vote:

1. Show a government-issued photo ID. - Driver's License – Nondriver License – Passport – Military ID
2. Sign the provided statement and show one of the following. Voter Registration Card – ID from a Missouri University, College, vocational or technical School – Utility Bill – Bank Statement – Government Check – Paycheck – Other Government document showing your name and address
3. Vote a provisional ballot. There are two ways your vote counts. If your signature matches the signature in the voter registry or if you come back to the polling place and show a photo ID.

If you do not possess a photo ID and would like one to vote, the Secretary of State's Office will help you. Please call (866) 868-3245.

After signing the ledger and receiving a ballot, you may proceed to one of

the booths provided at each polling place to record your vote. Election judges at the polls can explain the use of the recording equipment.

Absentee Voting

Absentee ballots may be cast in the office of the County Clerk approximately six (6) weeks before an election. Registered voters who will be absent from the county, illness or physical disability, caretakers of those incapacitated or confined due to illness or disability, religious belief or practice, employment as an election authority, incarceration, provided all qualifications for voting are retained, certified participation in the address confidentiality program established under Sections 589.660 to 589.681 because of safety concerns, may cast ballots in the office of the County Clerk. Absentee ballots may be cast between the hours of 8:00 a.m. and 4:30 p.m. Monday through Friday and from 8:00 a.m. to noon on the Saturday before each election.

Absentee ballots will be mailed upon written requests received no later than 5:00 p.m. the Wednesday before each election. Please be advised that when requesting an absentee ballot by mail, the request must be in writing, signed and must state the name of the voter, address at which you are registered, your reason for requesting an absentee ballot, the address to which the ballot is to be mailed and if you are a registered voter that registered by mail and are voting for the first time, you must send a photocopy of your photo ID along with your request for an absentee ballot. If you are requesting a ballot for a Primary Election, you will also need to state which party ballot you would like sent. Instructions will be sent along with each ballot regarding whether or not a signature needs to be notarized before sending back to the office. Absentee ballots will be mailed upon written requests received no later than 5:00 p.m. the second Wednesday before each election

Information regarding absentee ballots or any election question may be obtained by calling the County Clerk's Office at 636-456-3331.
